Wednesday, May 11th, 2022
1:00PM - 5:00PM

Belimo is excited to host their Factory Tour, Training and Lunch at their Danbury CT. Headquarters. Now is your opportunity to visit this state-of-the-art facility and see Belimo products at work. Limited seats available and going fast, so please don't wait to RSVP!

Agenda

1-2PM Lunch at Belimo/ Danbury CT

2-3PM PDH Training with Certificate/ Eliminating the High Cost of Overpumping - Rick Smith presenting.
3-5PM Demo Room and Factory Tour

Course Overview-

Eliminating the High Cost of Over Pumping (1-PDH credit) This 50-minute presentation will examine how inadequate hydronic balancing will cause over-pumping and low delta T. Low delta T is very costly but can be corrected. Keeping the water in the coils per their design will allow chillers, coils, and pumps to perform according to their design specifications. We will review savings calculations based on correcting low delta T.

Bi-State Annual Golf Outing!
The Links at Union Vale
153 North Parlman Road
Union Vale, NY 12540

Tuesday, May 24th, 2022
11:00AM - 8:00PM

We offer our members an excellent Golf Outing on Tuesday, May 24, 2022. Proceeds from this event go towards student scholarships, ASHRAE research, and chapter expenses.

If you have not attended before, you are missing out on a fun event! We play a scramble format at a Links course, which is a challenging but also a forgiving format.

Following the golf event, enjoy an excellent buffet dinner including golf awards, raffle prizes, student scholarship presentation and installation of Bi-State Chapter officers.

We look forward to seeing you there!

Please RSVP by Friday 5/13/22. Use link to form below:
